"ALL-HANDS-IN" PARTNERING

School Time listens and advises. Then, we build a tailored, performance driven dress code program WITH you, customized for your school and students. Your school wins. Together we create rebate programs, sponsor school events, promote online discounts, fundraise, and most importantly, build community. Everyone Plays! School Time facilitates continuous communications and you ALWAYS have your own personal School Time contact to answer questions and guide you through the adoption and implementation of a uniform program.

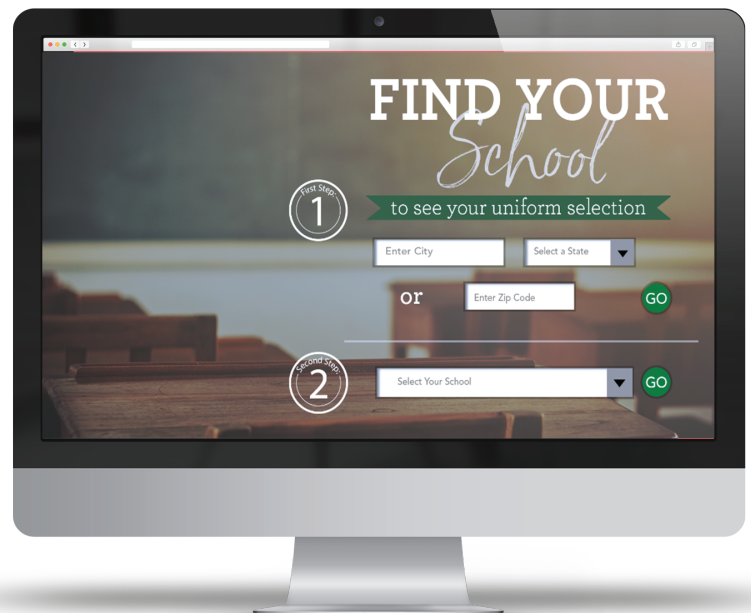

If any garment doesn't stand up to one year of normal wear, we'll replace it. It's that simple.

CORE VALUES

School Time embeds clear core values into our overall business plan. Not only that, they are institutional in our daily goals. Our staff is frontline to you and to your student families.

More than anything, we care that you are satisfied.
